Deck & Dock Elastomeric Coating...

[Details](#)[Colors](#)[Gallery](#)[Technical](#)

Important Note: Computer screens and printers vary in how colors are displayed, so the samples shown on this page may vary slightly in color, sheen or finish from actual product and individual results. Always test a small area and let coating dry to ensure color satisfaction before coating entire area.

For an explanation of color variations between computer screens and color cards please [CLICK HERE](#).

Please call 800-825-5382 for a retailer who carries Deck & Dock to receive a free color card that features the color selection for this product line.
