**\*Because of the limitations of process color printing, the color samples contained herein are close approximations of actual colors and should not be relied upon for true color.** Colors show approximate tone without any texture. Final color matching should be made with an actual sample of the product, color and texture to be used. Gloss level will vary depending on product used. Custom colors are available. Minimum quantities, adequate lead time and up-charges may apply.

For use with Sikafloor® 200 ESD, Sikafloor® 340 ESD and Sikafloor® 700 ESD only. Sikafloor® 700 ESD is only available in Dark Gray. Sikafloor® 340 ESD is not available in Dark Gray.

Please consult Sika Industrial Flooring for further information and pricing.
