** Additional colors require a 1 week lead time (NJ) with a 10 color pak minimum order

This color selection guide applies to the following Sikasil® products:

Sikasil WS-290 FPS • Sikasil WS-295 FPS

Colors show approximate tone without any texture. The color of the actual products may vary slightly. Final color matching should be made with actual batch to be used. Gloss level will vary depending on product used. Custom colors available with adequate lead time and minimum batch quantities. Please consult Sika for further information and pricing.
