Industrial & Commercial Flooring Solutions

California License # 763816

*Image is everything and your kitchen and seating areas project the image of your restaurant and your business!*

**DYNAMIC COATINGS** helps restaurants owners and operators present the safest and cleanest possible image. Sharp, clean, shiny and above all else—**SAFE!** Our products are **CHEMICAL RESISTANT, WATER RESISTANT, ANTI-MICROBIAL and SLIP RESISTANT!** We are **FDA, OSHA and USDA Compliant!** And, you'll look great!

**DYNAMIC COATINGS (DCI)** provides the highest quality stained and polished concrete, one hour curing MMAs, high chemical-resistant epoxies and heat-resistant urethanes. But, that's not all. We also provide industrial restoration systems for concrete, wood and metal. We offer structural concrete repair, under-layments and moisture mitigation systems for the kitchen, your seating areas and offices.

**DCIO** is a local business with over 20 years of in the field expertise. Let us **SAVE** you money on your next project!

Call **DYNAMIC COATINGS, INC** at 877.225.2549
