GROCEERY STORES

Image is everything and your flooring makes the image of your business and your store!

DYNAMIC COATINGS helps grocery store owners and operators present the safest and cleanest possible store. Inviting, clean, shiny and above all else, **SAFE, CHEMICAL RESISTANT, WATER RESISTANT, ANTI-MICROBIAL and SLIP RESISTANT!** Plus, it looks great!

DYNAMIC COATINGS provides the highest quality stained and polished concrete, 1 hour curing MMAs, high chemical-resistant epoxies and heat-resistant urethanes. But, that's not all. We also provide industrial restoration systems for concrete, wood and metal. We offer structural concrete repair, under-layments and moisture mitigation systems for the entire store, including the offices and loading docks.

DYNAMIC COATINGS is a local business with over 40 years of field expertise. Let us **SAVE** you money on your next project!
