Image is everything and your office projects the image of your company.

DYNAMIC COATINGS helps real estate professionals and business owners present the highest possible image. Sharp, clean, shiny and above all else, **SAFE, CHEMICAL RESISTANT, WATER RESISTANT, ANTI-MICROBIAL and SLIP RESISTANT!** Plus, it looks great and projects the right image!

DYNAMIC COATINGS provides the highest quality stained and polished concrete, one hour curing MMAs, high chemical-resistant epoxies and heat-resistant urethanes. But, that's not all. We can replace old carpet with a less costly and longer lasting product. We also provide industrial restoration systems for concrete, wood and metal. We offer structural concrete repair, under-layments and moisture mitigation systems.

DYNAMIC COATINGS is a local business with over 40 years of field expertise. Let us **SAVE** you money on your next project!
